

## Our Mission

AAUW is dedicated to advancing gender equity for women and girls through research, education, and advocacy.

Our AAUW Eugene-Lane County chapter aims to be a visible, viable, and diverse organization in our community. We are united in promoting principles that empower women and girls, while facilitating thoughtful engagement, leadership opportunities, and lifelong friendships.

We are open to any graduate who holds an associate or higher degree from a regionally accredited institution. Undergraduate students who don't already hold a degree can join as student affiliates. Non-members are welcome to attend our general branch meetings.
